

On Any Wednesday - March Report

By Claire Hartley

What a month! A group of Wednesday Riders went to Buzz's holiday home in Merimbula; this is becoming an annual event. Trevor took a big solo trip for WSBK, where he met caught up with Fred and George, via the Alpine Way to Omeo to Melbourne and home via Dimboola.

South Australia stole the 2027 MotoGP from Victoria (who said that South Australians can't hold a grudge?)

There are a couple of mentions of ROAR here. It is an acronym for Retired and Other Absent Riders, basically people who can no longer ride for any reason and the temporarily not riding. The ROAR meet at the Pik-A-Pie in Meadows on the third Wednesday of each month at around 2 pm. It is NOT exclusive and everyone is welcome, if you're curious and want to hang out and talk motorcycles then come along, no invitations are required.

March 4th

Sixteen riders, including two visitors (Brian and Daryl) and numerous apologies today. To Cudlee Creek via Mount Pleasant and Angaston in perfect conditions.

March 11th

Eighteen riders, twelve apologies, and two ROAR visitors today. To Wistow via Birdwood in perfect weather.

March 18th

Twenty-one riders (on forty-three wheels) and nine apologies today. To Milang via Mount Compass in overcast but dry conditions. Colin, Newell and Brenton brought the rain to Meadows for the official ROAR gathering and joined by OAW riders.

We all knew that Bruce forecast wet conditions when he turned up on his Yamaha Niken (3-wheeler) as it is his preferred ride when things get wet (which they did).

Bruce 1 – BOM 0

March 25th

Nineteen riders (plus two ROAR visitors) and fourteen apologies today. To Willunga via Macclesfield and circle work in perfect conditions.

Finally, a shout out to Dave, we hope to see you back on the bike soon. Many thanks to the lovely Gerry who chauffeurs him around so that he can meet the ride for morning tea or lunch whenever possible.

Ride safe
