On Any Wednesday - September Report By Claire Hartley

September 2nd
Eighteen riders and multiple apologies today. To Kanmantoo via Mount Pleasant and circle work around Monarto in dry conditions and periods of Sunshine.

September 9th
Twenty riders, including two visitors (Gary and Colin) today. To Cudlee Creek via Mount Pleasant and circle work around Williamstown. Coo, but dry conditions and a sunny afternoon.

September 11th
Bruce has kindly added a plaque in memory of Colin Leaker today. Remembrance Day (11/11) falls on a Wednesday this year when we will acknowledge Colin and others at the Rock (just out of Strathalbyn)

September 16th
Seventeen riders and multiple apologies today. To Strathalbyn via Myponga and interesting circle work down south in cool but clear weather including a brief stop at the Rock. Great to see Claire, Buzz and others at ROAR.

September 23rd
Thanks to Brenton for leading the ride today. Ably assisted by his TEC Fred and Assistant TEC's Lester and Glenda. You could not have got a better day but unfortunately no ride report was given.

September 30th
Nineteen riders and multiple apologies today. To Cudlee Creek via Woodside and circle work around the hills.
