## **News from Ken**

**New format:** Instead of a PDF, this newsletter is direct into your email. If anyone has trouble reading it, please let me know. As always, if you don't want to receive this newsletter, let me know. Feel free to pass it on.

**Our President:** Last Thursday, Maurice underwent a triple-bypass operation. It went well. He is expected to be in hospital this week, and won't be back on the bike for a couple of months. (Which is why this news is coming from Ken.)  
Michelle is taking Maurice home today! (Thu 10/9/26)

**Our Treasurer:** Robin is leaving us for QLD. So Ken is branch treasurer until we find a replacement. (Members shouldn't see much change in things.)

**Ride numbers:** I went on our Wednesday ride. 21 bikes, which is around the usual count. As opposed to our Sunday rides, which get small numbers. 5 bikes last Sunday! (Ok, it was fathers day.) Maybe numbers will swell with better weather.

**Use the SA Calendar:** Based on responses, it looks like there will be two bikes and four people from Adelaide Branch going to next Sunday's Captain's Ride! Numbers are down for all branches this year. A big part of the problem is conflicting events: Ghost Town Rally; Quorn RV weekend; Collingsgrove Hill Climb.  
People planning events need to consult the SA calendar first.

**SABC Breakfast venues:** Folks do provide suggestions for breakfast venues, thank you. I'd like to receive more, to give variety, and to put them close to branches, so as to encourage members to come along and socialise.

**Ride GPX files:** Various members plan and lead rides. Maurice and Ken map our Sunday rides if we are there, and put them up in our Gallery folder for the ride, as a Google map.

We have a collection of GPX files, (along with some from Frank), which can be useful resource for ride planners. You can find them at
